AS FAR AS YOU GO

# Logistics Solutions You Can Rely On

## **FROM SERBIA TO THE WORLD – CUSTOMS, TRANSPORT, WAREHOUSING, AND MORE.**

Panšped is a Serbian freight forwarding company with over 35 years of experience delivering integrated logistics solutions. We combine expertise, speed, and trust to move your cargo smoothly across Europe and beyond.

Panšped is a logistics service provider that, in addition to transport services and freight forwarding services in the domain of customs representation, provides its clients with storage, manipulation, distribution and insurance of goods and thus provides integrated logistics support, which, in addition to the partnership approach as the foundation of our business, offers additional value according to the "turnkey" system, i.e. all logistics services in one place.

# DISCOVER HOW IT WORKS

01

## WE LISTEN TO YOUR NEEDS

Share your shipping or logistics requirements—whether it's customs, container transport, or full-service solutions. We start with understanding your priorities.

02

## WE PROPOSE A TAILORED SOLUTION

Based on your needs, we build a custom logistics plan: choosing the best modes, routes, and services to meet your goals.

03

## YOU APPROVE AND WE EXECUTE

Once we agree on the plan, our operational team takes over, handling documentation, coordination, and real-time updates.

04

## YOU STAY INFORMED, WE DELIVER

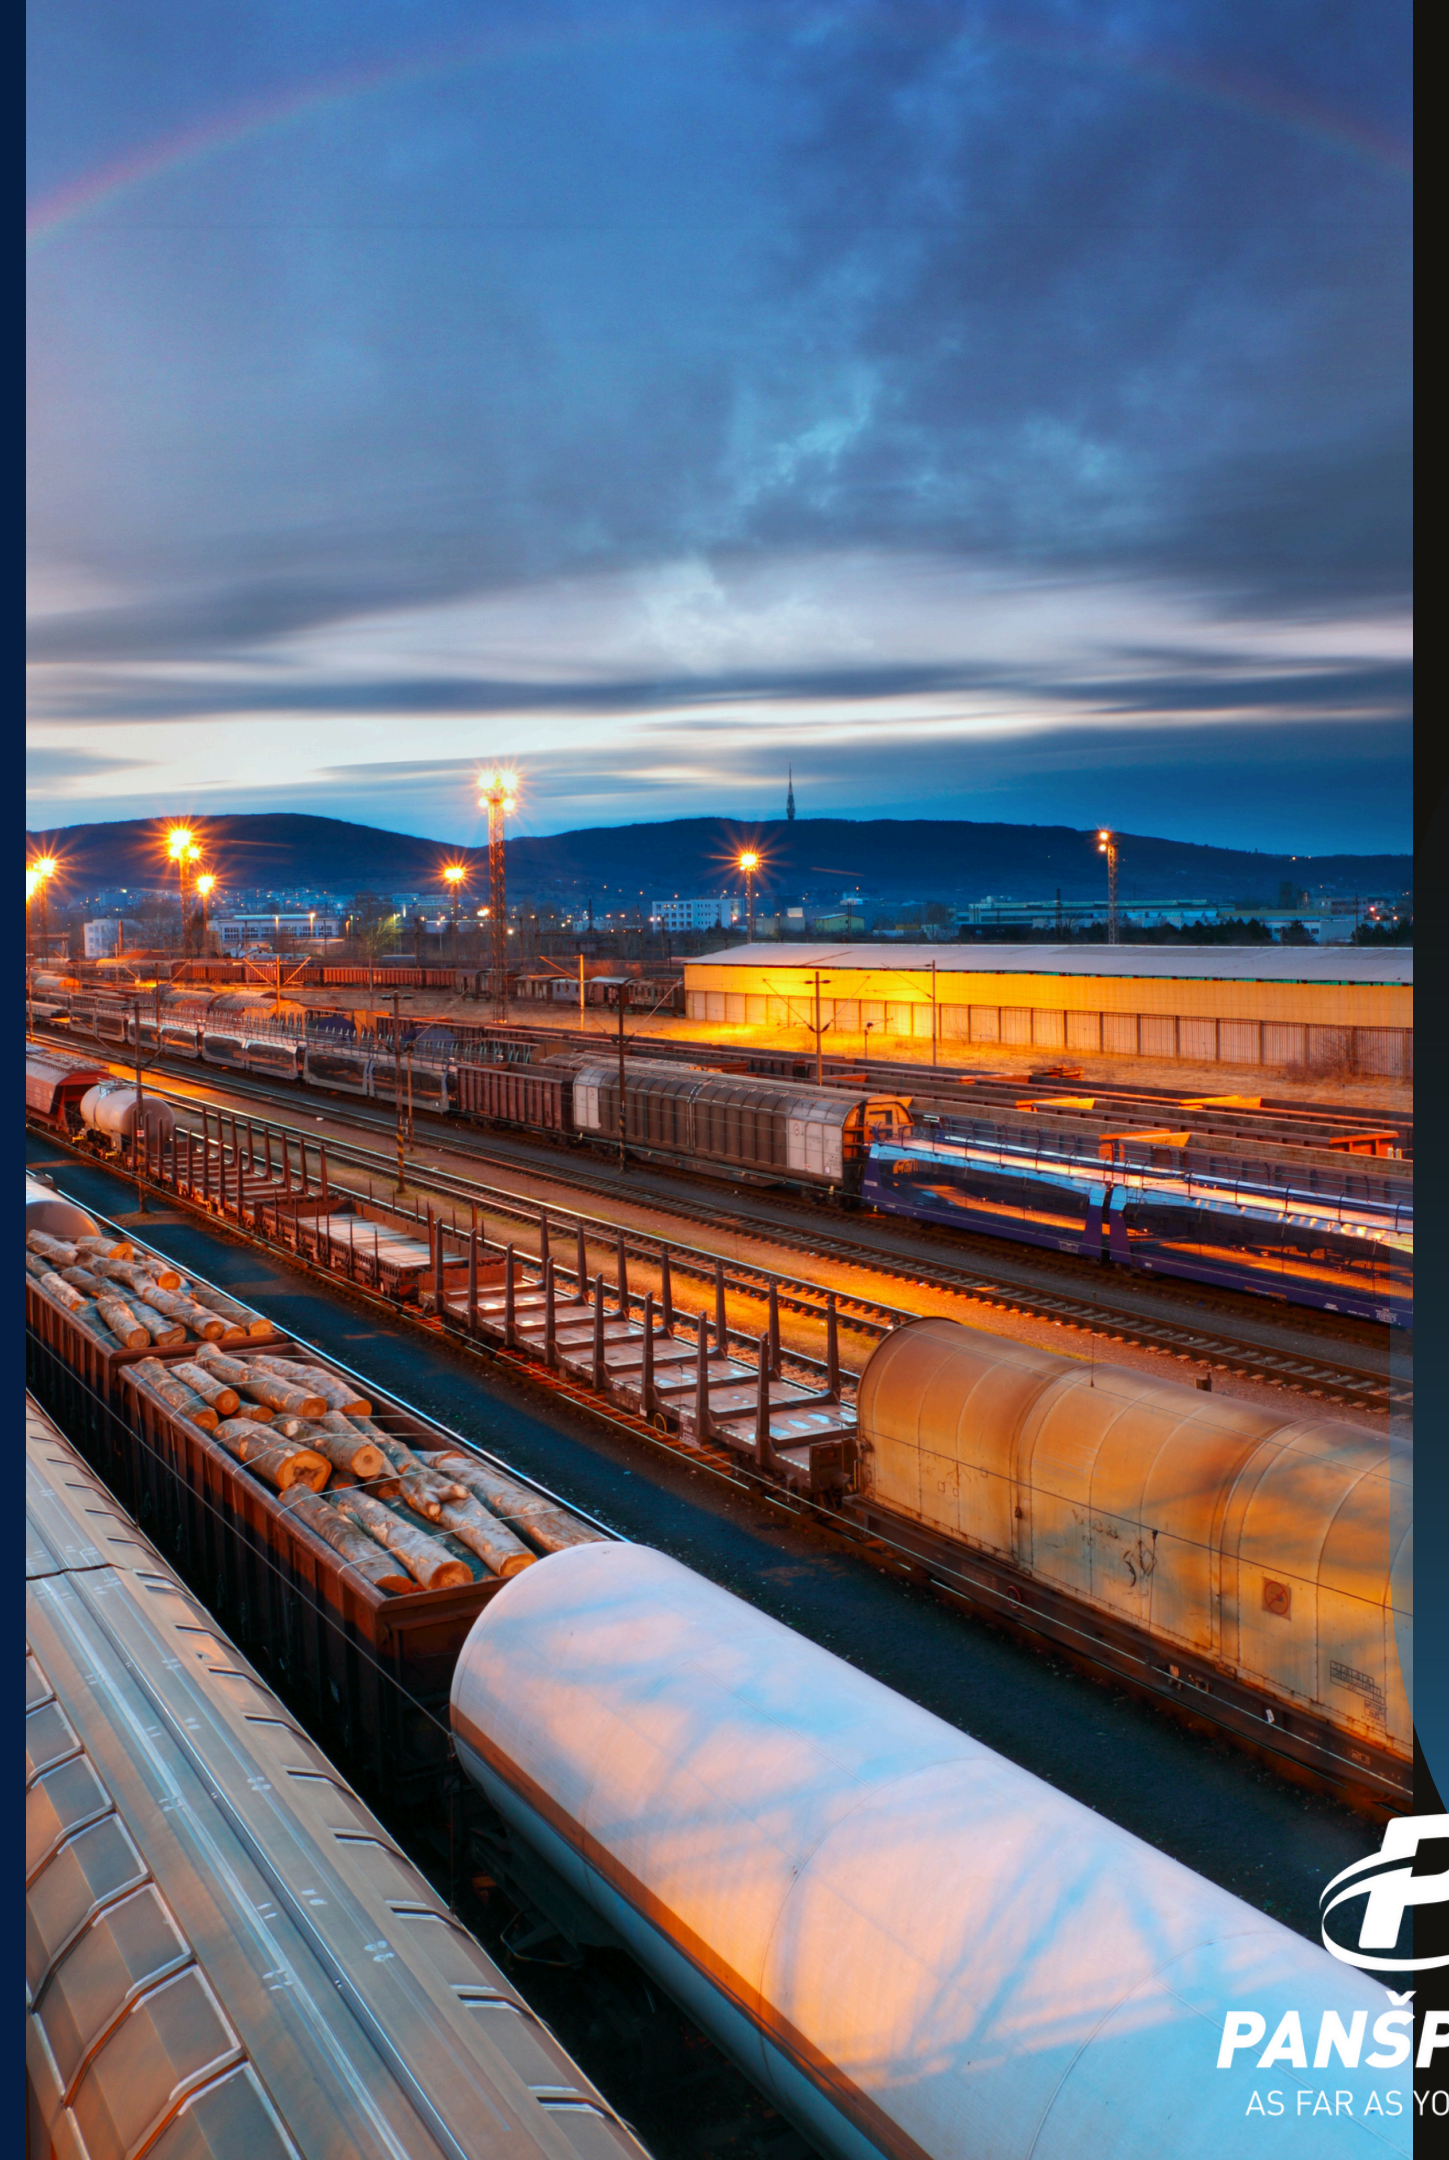

We keep you informed at every step. From pick-up to final delivery, your cargo is in safe hands, on time, every time.

# Rail Transportation

Organization of goods transportation on the railways of Western, Central, Southeastern Europe, and the Balkans

## OUR SERVICES

- Preparation of transportation price calculations with the shortest route and favorable tariffs
- Completing documentation such as CIM, CUV, LOKO waybills
- Provision of wagons of all types, including special ones.
- Wagon tracking (Tracking & tracing)
- Organization of oversized transport with the necessary permits
- Organization of the transportation of dangerous goods with the supervision of experts and the necessary permits

**PANSPED**  
AS FAR AS YOU GO

# Road Transportation

Organization of goods transportation on the roads of Western, Central, Southeastern Europe and the Balkans

## OUR SERVICES

- Organization of transportation of all types of goods by road transport with different types of vehicles
- Organization of Refrigerated Transport and Goods Distribution
- Organisation transport of special and oversized cargo
- Tracking the status and arrival of shipments
- Shipping and delivery with filling in CMR, TIR and ATA carnets
- Organization of collective transport

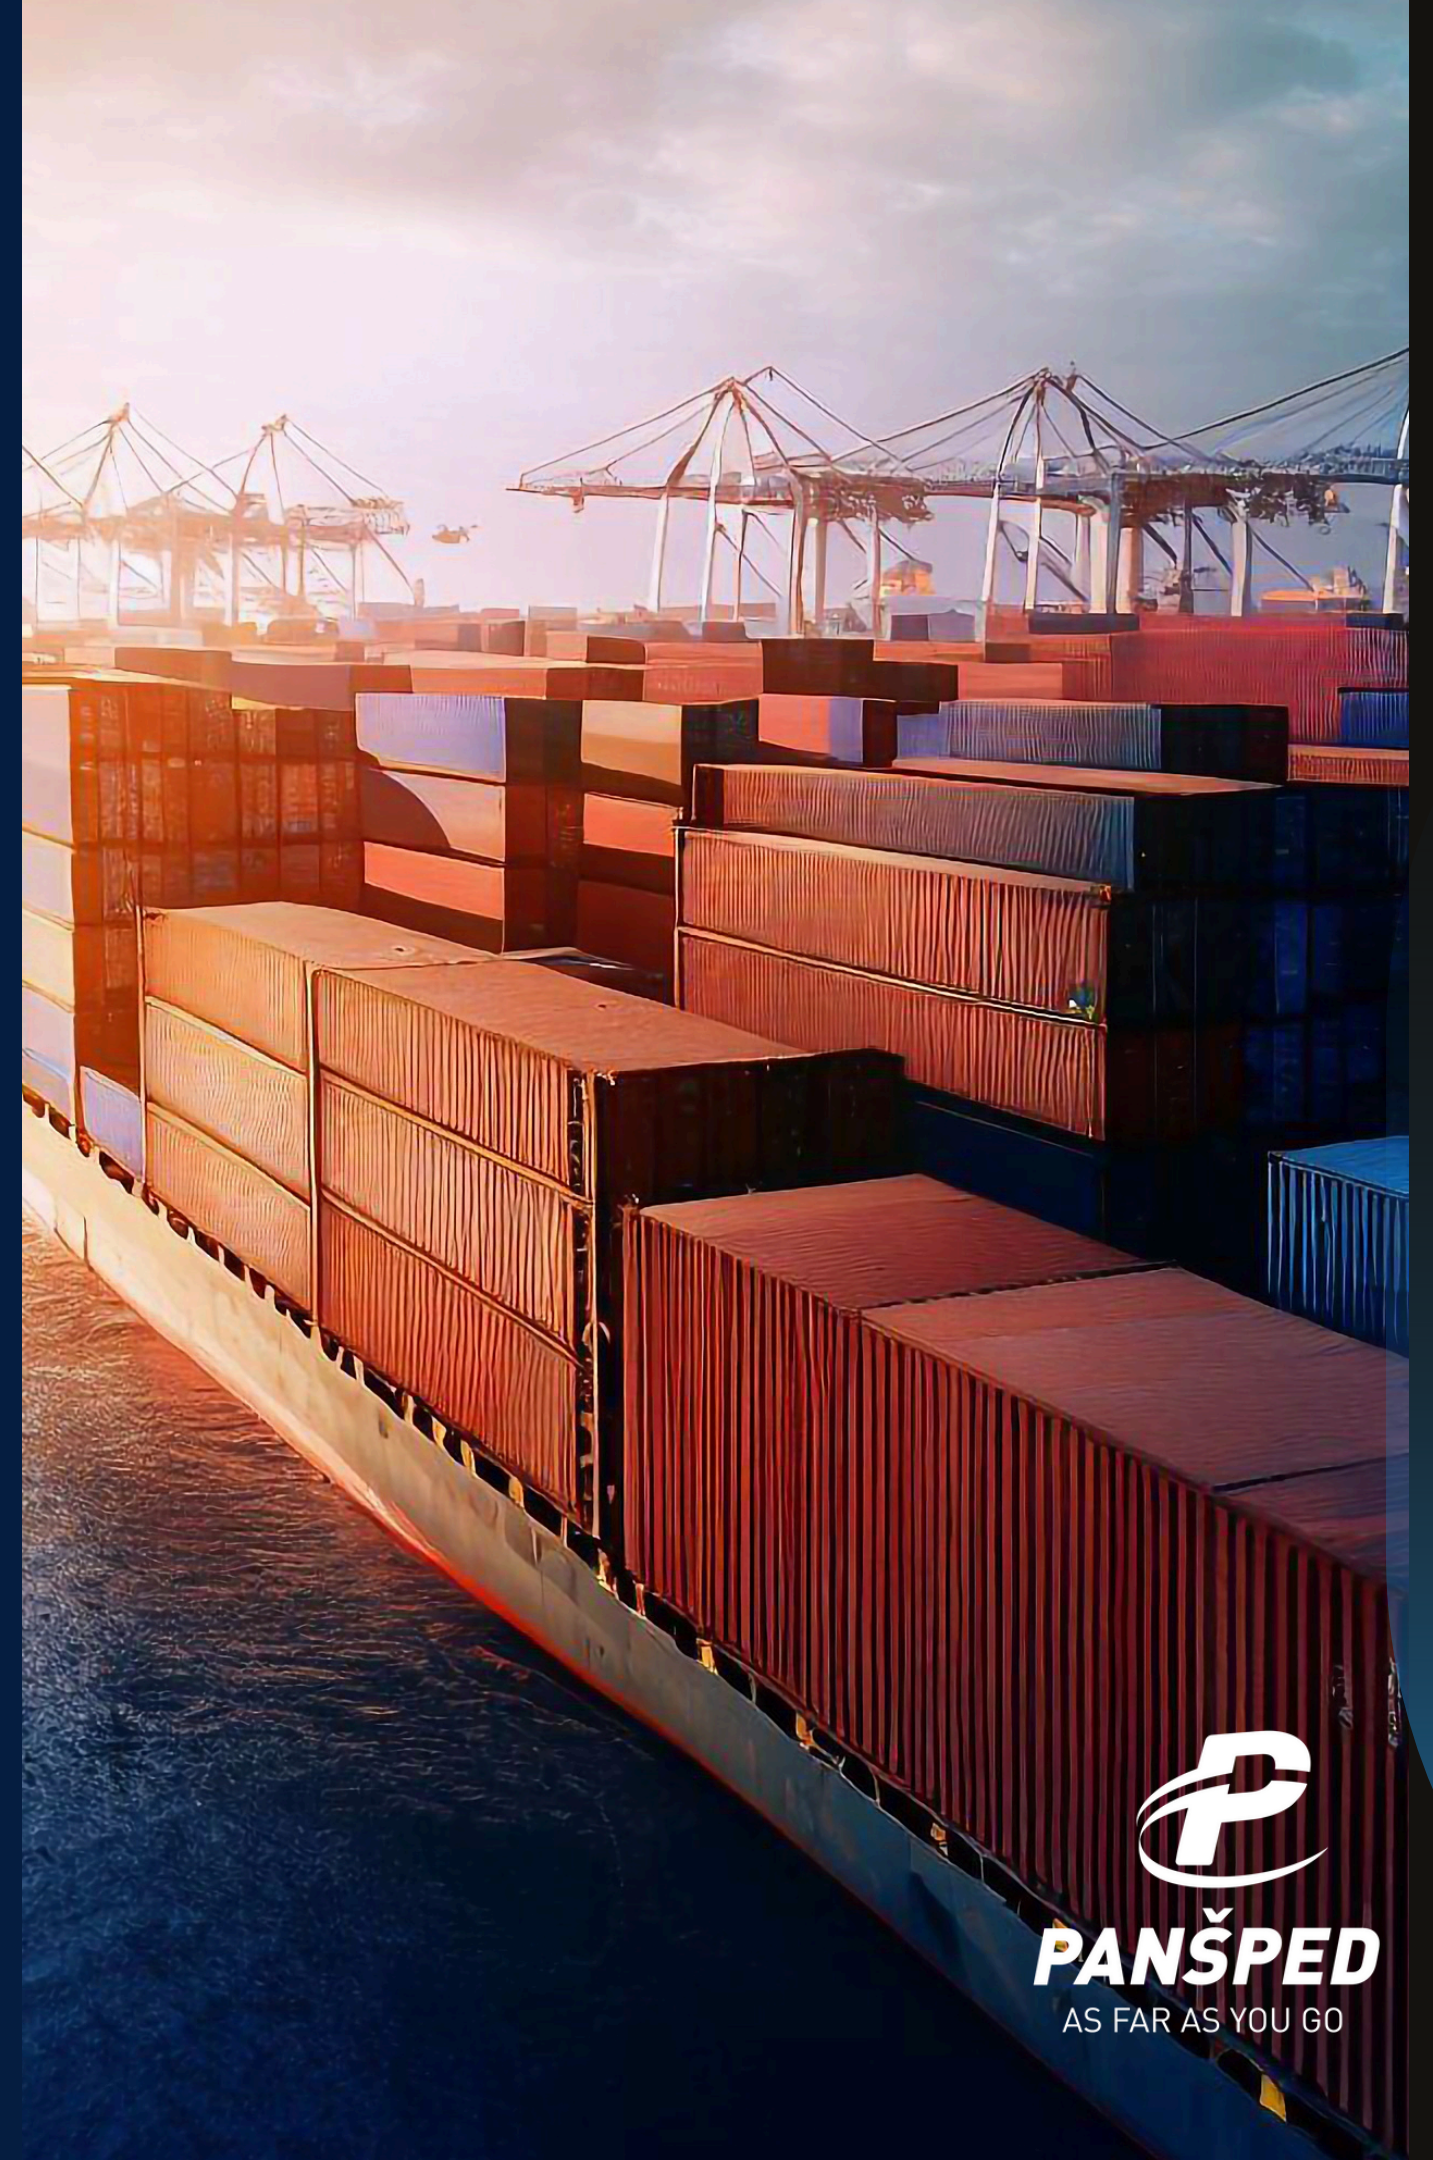

# Sea Transportation

## Organization of goods transportation around the world

We offer containers for all types of transport, with a special focus on overseas. By combining ship, rail and truck transport, it provides the most favorable solutions for the transport of full container shipments from export to the final destination. By cooperating with international carriers, they ensure the best conditions in terms of price and availability of cargo space for FCL and LCL shipments.

## OUR SERVICES

- Storage in river ports and piers
- Provision of ship space and transport documents
- Conclusion of the transport contract
- Organization of loading, unloading, transshipment and storage in ports
- Ship transport of bulk and oversized cargo

# Multimodal & Integrated Solutions

Smart logistics through combined transport modes

## OUR SERVICES

Optimize time and cost by combining transport methods. We design customized multimodal logistics chains that blend sea, rail, and road —ensuring each shipment follows the most efficient and cost-effective route from origin to destination.

AS FAR AS YOU GO

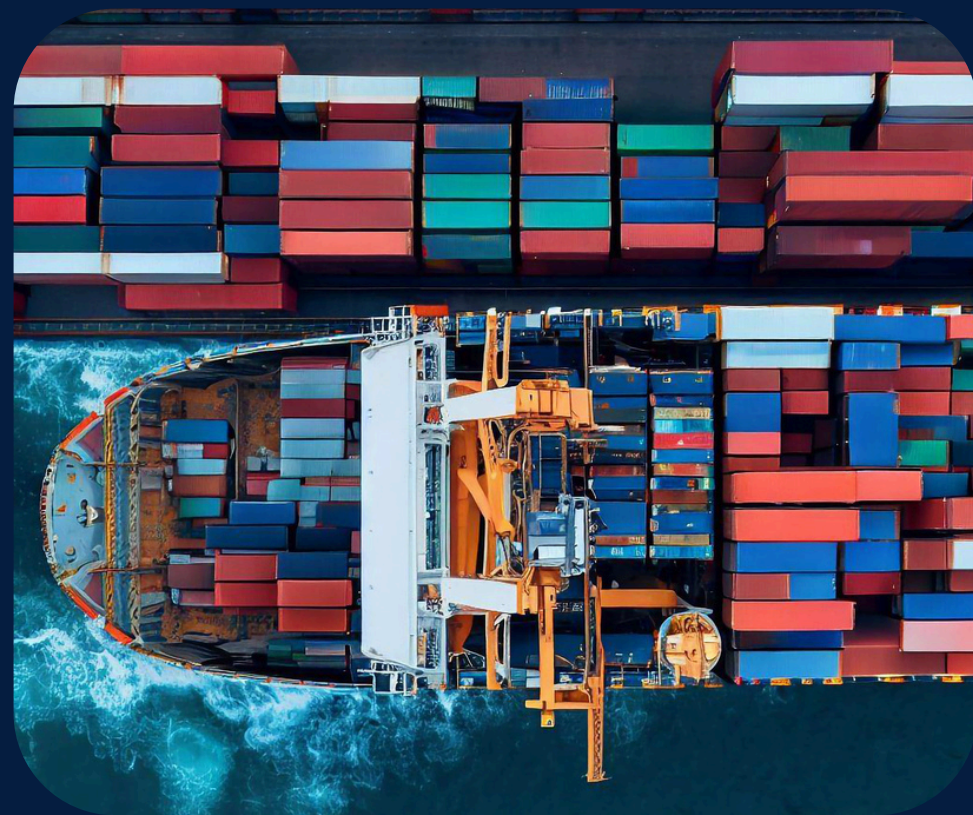

# FREIGHT TERMINAL

Since 2007, we have been operating at the goods transport terminal in Novi Sad, using 7,000 m<sup>2</sup> of open and 7,500 m<sup>2</sup> of closed customs warehouses

The terminal enables reception, unloading, storage, transshipment of goods and truck delivery to the final customer.

The closed warehouse has three industrial tracks for direct unloading of goods from wagons.

We provide door-to-door service with our own handling machinery and trucks.

# CUSTOM CLEARANCE

Authorized customs agents help you to successfully go through complicated customs procedures, avoiding additional costs and delays

We offer a wide range of services, including representation before customs authorities, clearance of goods, completion and submission of documents, customs warehousing, advice on customs regulations, preparation of transit documents, attendance at customs inspections and use of customs guarantees.

# AGROSERVICE

Our AGRO SERVICE combines tradition and experience in forwarding in order to provide a comprehensive service for agricultural production.

We offer the organization of transport by trucks, trains and barges, as well as special machinery for cargo handling and manipulation at our terminal in Novi Sad.

We carry out storage in customs and public warehouses, customs clearance in all ports and customs offices in Vojvodina, and obtaining certificates and consents from various inspection services

**We focus on AGRO LOGISTICS for wheat, corn, sugar and sugar beets, sunflower, soybeans, oilseed rape and fertilizers, in order to improve and facilitate post-harvest operations.**
